

# DEFACE THEM

**Recommended time:**

20-30 mins

**You'll Need:**

- image of someone
- analogue or digital drawing/cutting tools

## YOUR TASK:

Find an image of one person, whether it be from your phone, a newspaper or online and deface them!

Let's revive our high school procrastination techniques. We're talking curly moustache, glasses and devil horns. Get creative, go wild! (but, of course, remaining respectful as possible 🙏 (or not, freedom of speech right?! 😈))

You can use analogue and/or digital formats and multiple submissions are allowed!
